## ELECTION GUIDELINES FOR 2006

This year we will again conduct the primary for partisan offices using the "Pick a Party" method. Voters will be required to pick either a Republican, Democratic or "Non-Affiliated" ballot (candidates for partisan offices will not appear on the Non-Affiliated ballot). Only the names of the candidates for partisan offices affiliating with the Democratic political party will appear on the Democratic Party ballot. Only the names of the candidates for partisan offices affiliating with the Republican political party will appear on the Republican Party ballot. One candidate from each political party for each partisan office will appear on the General Election ballot.

No record will be kept of what type of ballot voters select and vote. For the General Election, voters can vote for the candidate of their choice without respect to the candidate's political party affiliation.

This year's primary and general election will be conducted entirely with mail ballots. There will be approximately 30 secure, staffed ballot drop off boxes established on election day and the Elections Office will serve as a polling place.

This copy of the "2006 Election Guidelines for Clark County" includes information specific to the 2006 Primary and General election and information relative to all elections. Be sure to familiarize yourself with the Washington State Public Disclosure Commission PDC forms and filing deadlines which apply to the office you are seeking. All candidates would be wise to review the filing instructions even if you have run for office before. A section is also included which covers Washington State laws dealing with political campaigns.

A local voters' pamphlet, which will include candidates, will be published for the 2006 Primary and General election. Specifications for the submission of candidate statements and photographs are included.

I encourage all candidates to review the information assembled here. If you have further questions, please feel free to contact the Elections Department at 397-2345.

Sincerely,

A handwritten signature in black ink, appearing to read "Greg Kimsey". The signature is stylized with a large, sweeping initial "G" and a long, horizontal stroke extending to the right.

### Statement Length

Statements submitted by all candidates shall be limited to one hundred (100) words or less.

Each candidate must be certain that his/her statement does not exceed the limit on the number of words. If the statement exceeds the one hundred (100) word limit, the candidate will be notified of this fact by telephone. The candidate will have until the close of the next business day (5:00 PM), following notification by telephone, to submit a new copy of their statement that is within the one hundred (100) word limit. The new statement must be changed only to the extent necessary to reduce it to the one hundred (100) word limit. If the new statement contains new material, it will be rejected and the candidate's first statement will be used in the same manner as described in the next paragraph.

All words in excess of the one hundred (100) word limit will be omitted. If such a deletion creates an incomplete sentence, that incomplete sentence will also be omitted. In order to be fair and to give equal treatment to all candidates, there will be no exceptions to this word limitation.

In addition to the one hundred (100) word limit, candidates will be allowed to include "campaign contact information", including a campaign address, telephone number, electronic mail address and Internet website. Contact information shall not exceed a total of twenty (20) words, with any website address being treated as one (1) word.

## **Submission Standards**

In order to maintain good standards of readability and to insure accuracy in typesetting this material for publication, the following standards and recommendations for style and format have been established:

1. Statements shall be typed, double-spaced, on white paper, 8.5 by 11 inches in size.
2. The candidate's name, address, telephone number and position sought should appear on the top of each page of the statement. This information will not count as part of the one hundred word limitation.
3. The candidates 100 word statement should follow the above information. The material will be set in paragraph style; lists of items which require multiple indentations are not permitted because of space limitations.
4. Words, phrases and sentences which are in italics, underlined, in bold print, printed in a larger font size or emphasized in some other manner will be typeset in italics in a font size matching the rest of the statement. Statements which are all in upper case letters will be set in normal lower case except for the first letter of proper nouns and the first letter of the first word in a sentence. We recommend that candidates avoid such formatting as it reduces the readability of the statement.
5. The candidate's "campaign contact information" should be clearly indicated following the text of the candidate's 100 word statement. The campaign contact information will be printed in the voters' pamphlet to enable the voters to contact the candidate or the candidate's campaign organization. This information is optional, to be included or not included, as the candidate desires.

## **Editing of Statements**

The County Auditor finds that it is in the public interest that all statements published in the Local Voters' Pamphlet be accurate as to form and syntax. To promote such accuracy, the County Auditor may correct any incidental errors of spelling, grammar and punctuation which he/she feels would unfairly prejudice the statement or confuse the voters so long as such corrections do not alter the meaning or substance of the statement. This office is not obligated, however, to make such corrections and we assume no responsibility for errors which result from inaccuracies in the original statement submitted by the candidate.

## **Rejection of Statement Due to Unacceptable Content**

By law, the County Auditor is required to reject any statements which contain any obscene, vulgar, profane, scandalous, libelous or defamatory matter, or any language which in any way cites, counsels, promotes or advocates hatred, abuse, violence and/or hostility toward, or which tends to cause ridicule or shame upon any person or group of persons by reason of sex, race, color, religion or manner of worship or any language or matter the circulation of which is prohibited by Federal law.

In addition, any statements by a candidate submitted for inclusion in the local voters' pamphlet shall be limited to only those about the candidate himself or herself.

## **Appeal of Rejected Statements**

Candidates who have had any portion of their statement rejected will be notified in writing and by telephone. The candidate will have until 5:00 PM, three days following the notification by telephone to appeal the rejection. Appeals will be made to the County Auditor. Notification by telephone shall include any messages left on a candidate's voice telephone recorder.

The County Auditor shall render a decision within two (2) business days of the appeal and such decision to accept or reject the statement or portion of the statement shall be final. A second decision to reject is final due to time limitations and only the portion of the statement, if any, which was not rejected, will be used.

## Proofing of Statements

To insure the maximum accuracy in the publication of these statements, the County Auditor will make available a proof copy of any statement to the candidate who submitted it from **August 7 through August 11, 2006** for candidates whose name will appear on the Primary ballot and from **August 14 through August 18, 2006** for candidates whose name will appear on the General election ballot only.

Candidates will not be permitted to amend the content of their original statement after it is submitted. Only the correction of incidental errors in spelling, punctuation, or syntax in the original statement or correction of errors in typesetting will be allowed. Statements and photographs submitted for use in the Primary Local Voters' Pamphlet will also be used for the General election Pamphlet.

## Photographs

Candidates may submit a photograph to be included with their statement. To assure the best possible reproduction, all photographs must be:

1. Black and white glossy prints.
2. Not smaller than 3 x 5 inches or larger than 5 x 7 inches. (Photographs smaller or larger than these standards can be used, but the quality of the resulting photo in the Voters Pamphlet will be the responsibility of the candidate who submitted the photo.)
3. Limited to the head and shoulders of the candidate. We recommend that you use a photograph with a light (not white) background, as this will provide the best contrast when printed.
4. Not more than five (5) years old.
5. Photographs submitted in electronic format are discouraged due to the often low quality of the image when printed in the pamphlet.

Photographs are prohibited which show the uniform or insignia of any organization which advocates or teaches racial or religious intolerance.

No proofs of candidate photographs will be made available due to the reduced reproduction quality of photographs during the preliminary pamphlet proofing process. Only the final pamphlet will contain the best possible reproduction of photographs, dependent on the quality of the photograph submitted.

## **Deadline Extensions**

The County Auditor shall have the authority to grant any deadline extension, which he/she feels, is in the best public interest. All extensions shall be equally granted to opposing candidates. Extensions will not be granted for failure to submit materials by the times and dates established in these specifications.

## POLITICAL ADVERTISING

**42.17.505 Definitions.** The definitions set forth in this section apply throughout RCW 42.17.510 through 42.17.540.

(1) "Actual malice" means to act with knowledge of falsity or with reckless disregard as to truth or falsity.

(2) "Sponsor" means the candidate, political committee, or person paying for the advertisement. If a person acts as an agent for another or is reimbursed by another for the payment, the original source of the payment is the sponsor.

(3) "Incumbent" means a person who is in present possession of an elected office. [1988 c 199 § 1.]

### **42.17.510 Identification of sponsor-Exemptions.**

(1) All written political advertising, whether relating to candidates or ballot propositions, shall include the sponsor's name and address. All radio and television political advertising, whether relating to candidates or ballot propositions, shall include the sponsor's name. The use of an assumed name for the sponsor of electioneering communications, independent expenditures, or political advertising shall be unlawful. For partisan office, if a candidate has expressed a party or independent preference on the declaration of candidacy, that party or independent designation shall be clearly identified in electioneering communications, independent expenditures, or political advertising.

(2) In addition to the materials required by subsection (1) of this section, except as specifically

addressed in subsections (4) and (5) of this section, all political advertising undertaken as an independent expenditure by a person or entity other than a party organization, and all electioneering communications, must include the following statement as part of the communication "NOTICE TO VOTERS (Required by law): This advertisement is not authorized or approved by any candidate. It is paid for by (name, address, city, state)." If the advertisement undertaken as an independent expenditure or electioneering communication is undertaken by a nonindividual other than a party organization, then the following notation must also be included: "Top Five Contributors," followed by a listing of the names of the five persons or entities making the largest contributions in excess of seven hundred dollars reportable under this chapter during the twelve-month period before the date of the advertisement or communication.

(3) The statements and listings of contributors required by subsections (1) and (2) of this section shall:

(a) Appear on the first page or fold of the written advertisement or communication in at least ten-point type, or in type at least ten percent of the largest size type used in a written advertisement or communication directed at more than one voter, such as a billboard or poster, whichever is larger;

(b) Not be subject to the half-tone or screening process; and

(c) Be set apart from any other printed matter.

(4) In an independent expenditure or electioneering communication transmitted via television or other medium that includes a visual image, the following statement must either be clearly spoken, or appear in print and be visible for at least four seconds, appear in letters greater than four percent of the visual screen height, and have a reasonable color contrast with the background: "No candidate authorized this ad. Paid for by (name, city, state)." If the advertisement or communication is undertaken by a nonindividual other than a party organization, then the following notation must also be included: "Top Five Contributors" followed by a listing of the names of the five persons or entities making the largest contributions in excess of seven hundred dollars reportable under this chapter during the twelve-month period before the date of the advertisement. Abbreviations may be used to describe contributing entities if the full name of the entity has been clearly spoken previously during the broadcast advertisement.

(5) The following statement shall be clearly spoken in an independent expenditure or electioneering communication transmitted by a method that does not include a visual image: "No candidate authorized this ad. Paid for by (name, city, state)." If the independent expenditure or electioneering communication is undertaken by a nonindividual other than a party organization, then the following statement must also be

included: "Top Five Contributors" followed by a listing of the names of the five persons or entities making the largest contributions in excess of seven hundred dollars reportable under this chapter during the twelve-month period before the date of the advertisement. Abbreviations may be used to describe contributing entities if the full name of the entity has been clearly spoken previously during the broadcast advertisement.

(6) Political yard signs are exempt from the requirement of subsections (1) and (2) of this section that the name and address of the sponsor of political advertising be listed on the advertising. In addition, the public disclosure commission shall, by rule, exempt from the identification requirements of subsections (1) and (2) of this section forms of political advertising such as campaign buttons, balloons, pens, pencils, sky-writing, inscriptions, and other forms of advertising where identification is impractical.

(7) For the purposes of this section, "yard sign" means any outdoor sign with dimensions no greater than eight feet by four feet.

[2005 c 445 § 9; 1995 c 397 § 19; 1993 c 2 § 22 (Initiative Measure No. 134, approved November 3, 1992); 1984 c 216 § 1.]

#### **NOTES:**

#### **42.17.520 Picture of Candidate.**

At least one picture of the candidate used in any political advertising shall have been taken within the last five years and shall be no

smaller than the largest picture of the same candidate used in the same advertisement. [1984 c 216 § 2.]

**42.17.530 False political advertising or electioneering communication.** (1) It is a violation of this chapter for a person to sponsor with actual malice:

(a) Political advertising or an electioneering communication that contains a false statement of material fact about a candidate for public office. However, this subsection (1)(a) does not apply to statements made by a candidate or the candidate's agent about the candidate himself or herself;

(b) Political advertising or an electioneering communication that falsely represents that a candidate is the incumbent for the office sought when in fact the candidate is not the incumbent;

(c) Political advertising or an electioneering communication that makes either directly or indirectly, a false claim stating or implying the support or endorsement of any person or organization when in fact the candidate does not have such support or endorsement.

(2) Any violation of this section shall be proven by clear and convincing evidence.

[2005 c 445 § 10; 1999 c 304 § 2; 1988 c 199 § 2; 1984 c 216 § 3.]

#### **NOTES:**

#### **Finding — Intent — 1999 c 304:**

"(1) The Washington supreme court in a case involving a ballot measure,

*State v. 119 Vote No! Committee*, 135 Wn.2d 618 (1998), found the statute that prohibits persons from sponsoring, with actual malice, political advertising containing false statements of material fact to be invalid under the First Amendment to the United States Constitution.

(2) The legislature finds that a review of the opinions indicates that a majority of the supreme court may find valid a statute that limited such a prohibition on sponsoring with actual malice false statements of material fact in a political campaign to statements about a candidate in an election for public office.

(3) It is the intent of the legislature to amend the current law to provide protection for candidates for public office against false statements of material fact sponsored with actual malice." [1999 c 304 § 1.]

**42.17.540 Responsibility for compliance.** (1) Except as provided in subsection (2) of this section the responsibility for compliance with RCW 42.17.510 through 42.17.530 shall rest with the sponsor of the political advertising and not with the broadcasting station or other medium.

(2) If a broadcasting station or other medium changes the content of a political advertisement, the station or medium shall be responsible for any failure of the advertisement to comply with RCW 42.17.510 through 42.17.530 that results from that change [1984 c 216 § 4.]
